

# Ionic, Angular and the hybrid ecosystem

AngularConf 2016 

by Gabriele Mittica - @gabrielemittica

ionic

# What's Ionic?

**It's Angular powered for mobile.**

```
var options = {  
    quality: 90,  
    allowEdit: true,  
    encodingType: Camera.EncodingType.JPEG  
};  
$cordovaCamera.getPicture(options).then(  
    function(imageData) {  
        var image = document.getElementById('m
```

```
    image.src = "data:image/jpeg;base64,"  
  }, function(err) {  
    $cordovaToast.show('Error!', 'long', '  
  }  
) ;
```

# What's Ionic?

**It's Angular powered for mobile.**

Strongly powered for mobile.

# What's Ionic?

**It's Angular powered for mobile.**

Strongly powered for mobile.

Strongly strongly strongly  
powered for mobile

I need it?

**Why?**

Great approach to  
responsive and mobile  
styling

Supported by rising  
company

Integrates ngCordova

# What's Ionic?

**It's Angular powered for mobile.**

Strongly powered for mobile.

Strongly strongly strongly  
powered for mobile

# What's Ionic?

**It's Angular powered for mobile.**

**Strongly powered for mobile.**

Strongly strongly strongly  
powered for mobile?

# Thanks for listening
